**Independent Auditor's Report**

**To the Governing Body of SSC-95 & HSC-97 FOUNDATION**

**Report on the Audit of the Financial Statements**

**Opinion**

We have audited the financial statements of **SSC-95 & HSC-97 FOUNDATION** which comprise the Statement of Financial Position as at 31 December 2023 and the related Statement of Income & Expenditure, Statement of Receipts & Payments for the period ended 31 December 2023 and notes to the financial statements.

In our opinion, the accompanying financial statements present fairly in all material respect, the financial position of SSC-95 & HSC-97 FOUNDATION as at 31 December 2023 and of its financial performance for the period then ended in accordance with International Financial Reporting Standards (IFRSs) and comply with the applicable laws and regulations.

**Basis for Opinion**

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the foundation in accordance with the International Ethics Standards Board for Accountants Code of Ethics for Professional Accountants (IESBA Code) together with the ethical requirements that are relevant to our audit in the financial statements in Bangladesh, and we have fulfilled our ethical responsibilities in accordance with the IESBA code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Responsibilities of Management and those Charged with Governance for the Financial Statements**

Management is responsible for the preparation and fair presentation of this financial statements in accordance with IFRSs, and other applicable laws and regulations and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Those charged with governance are responsible for overseeing the Foundation's financial reporting process.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high-level assurance, but it does not guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements.

# **hossain mosharraf & co.**

CHARTERED ACCOUNTANTS

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**We also report that:**

- a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit and made due verification thereof;
- b) In our opinion, proper books of accounts, records and other statutory books as required by law have been kept by the foundation so far as it appeared from our examination of those books; and
- c) The Statement of Financial Position, Statement of Income & Expenditure and Statement of Receipts & Payments dealt with by the report are in agreement with the books of accounts.
