**INDEPENDENT AUDITORS' REPORT
TO THE MEMBERS OF
SSC-95 & HSC-97 FOUNDATION
REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS**

Opinion

We have audited the Financial Statements of SSC-95 & HSC-97 FOUNDATION ("the Foundation"), which comprise the Statement of Financial Position as at 31 December 2025 and the Statement of Income & Expenditure, Statement of Receipts and Payments account for the year then ended 31 December 2025 and notes to the financial Statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the SSC-95 & HSC-97 FOUNDATION as at 31 December 2025 and of its income & Expenditure and its receipts & payments for the year then ended in accordance with international financial reporting standards (IFRSs) as adopted in Bangladesh and in compliance with the Societies Registration Act, 1860 and other applicable laws and regulations.

Basis for Opinion

We conducted our audit in accordance with the International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Foundation in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) together and we have fulfilled our other ethical responsibilities in accordance with the IESBA code and the Institute of Chartered Accountants of Bangladesh (ICAB) bye Laws.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

- The entity has reported receipts and foundation expenses amounting to BDT 532,015/- and BDT 50,000/-, respectively. These amounts were received and paid through the bank. No supporting documents were provided to corroborate the completeness and accuracy of these receipts and foundation Exp.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation of the financial statements that give a true and fair view in accordance with International Financial Reporting Standards (IFRSs), International Accounting Standards (IAS) and the Societies Registration Act, 1860 and other applicable laws and regulations and for such internal control as management determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Those charged with governance are responsible for overseeing the Foundation's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Evaluate the overall presentation, structure and content of the Foundation's financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in manner that gives a true and fair view.

We communicate with the management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
